**The “Oral Health Innovation Conclave” will be held on 25<sup>th</sup> & 26<sup>th</sup> March, 2023, at the Manekshaw Centre in New Delhi, India, organised by the Indian Dental Association (IDA).**

**This is the first national event and one of its kind to focus on innovations, entrepreneurship, and research in oral healthcare.**

IDA strives to lead the way in oral health via innovation, application, and promotion of dental education, research, and patient care delivered in collaboration with specialists in dentistry and allied health sciences. The purpose of this event is to establish a specialised research ecosystem for dental evolution and communication. This two-day event will present you with a unique scientific programme, consisting of outstanding keynote lectures, state-of-the-art symposia, oration lectures as well as poster, case and table presentations by researchers, innovators, entrepreneurs and experts from India and beyond.

**ABSTRACT SUBMISSION**

A platform to encourage students & professionals to present their original ideas, research and views on a national and international level.

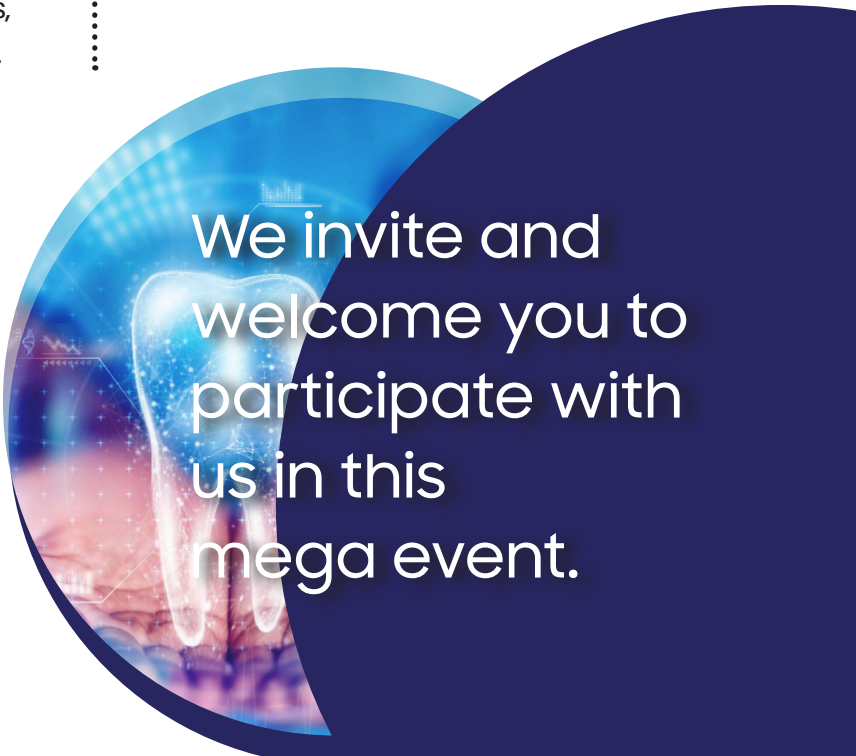

- Case Presentation
- Poster Presentation
- Table Clinic

**INNOVATION EXHIBIT**

**A chance to display and showcase your innovations on an international platform.**

Empowering individuals and teams to identify the right problems to solve, Validate technical feasibility, check commercial viability and initiate scalable and sustainable startups. This is an opportunity to exhibit /demonstrate/ present your innovation to get customer feedback, identify scope for improvement and grab investors’ attention.

For more details regarding abstract submission  
<https://poster.ida.org.in/Home/Index/4>

**We invite and welcome you to participate with us in this mega event.**
